Get A Better Job: From starting out to changing direction, returning to work or facing redundancy: a practical career guide (Paperback)

Hodder Stoughton General Division, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. Is this the right book for me?The current world of work is tough whether you are looking for work or just looking to make better life choices. Things are changing fast and the job for life is a long forgotten myth. This book, perceptively written and full of practical advice, tells you exactly how to become a hot property in the competitive job market. Filled with self-check questions, exercises and case studies it will help you to understand yourself and improve your chance of a fulfilling career. Written to appeal to the broadest spectrum of readers, it will prove invaluable whether you are starting out on your career, returning to work, looking to change direction or coping with redundancy or early retirement. Learn to understand your motivations, grow confident in what you have to offer and go get that job!Get a Better Job includes:Chapter 1: Moving from employment to employabilityUnderstanding how these changes are affecting youUnderstanding the future workWhat is a job?The decline and fall of the jobWhat has happened to make job certainty disappear?Restructuring the workplace in the twenty-first centuryFacing up to the...

Reviews

Excellent eBook and useful one. it was actually writtern extremely perfectly and useful. You wont truly feel monotony at at any time of your time (that's what catalogues are for about when you question me).

-- Zora Koch IV

This is the best ebook we have read till now. I was able to comprehended almost everything out of this created e book. I realized this ebook from my dad and i suggested this publication to discover.
