

Mod Lib Man Who Was Thursday (Paperback)

By G. K. Chesterton

Random House USA Inc, United States, 2001. Paperback. Condition: New. New edition. Language: English . Brand New Book. G. K. Chesterton's surreal masterpiece is a psychological thriller that centers on seven anarchists in turn-of-the-century London who call themselves by the names of the days of the week. Chesterton explores the meanings of their disguised identities in what is a fascinating mystery and, ultimately, a spellbinding allegory. As Jonathan Lethem remarks in his Introduction, The real characters are the ideas. Chesterton's nutty agenda is really quite simple: to expose moral relativism and parlor nihilism for the devils he believes them to be. This wouldn't be interesting at all, though, if he didn't also show such passion for giving the devil his due. He animates the forces of chaos and anarchy with every ounce of imaginative verve and rhetorical force in his body.
