

## The Night of the Cat's Return (Paperback)

By Chanho Song

AUTUMN HILL BOOKS, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. This collection of poems describes the textures of daily life through the eyes of the inhabitants of the land of pygmies. Butterflies, cats, and flowers speak in their own voices, presenting readers with a new perspective on their lives and on nature. But this fairy tale-like world is not the innocent one of a child unacquainted with the harsher realities of experience. Rather, it is what awaits explorers of the fallen language. The author invites readers to engage in a dialogue with what the ancient Chinese called the ten thousand things; his poems demonstrate how to live harmoniously with nature. In this bilingual edition, the author and his English translators urge readers to attend different schools, including those of the mountain dove and the cat. There, freed from the dizzying speed of civilization, one may sit down in a yarn basket and taste the cat's philosophy while drinking pine fragrance tea.
