SIMON SCHUSTER, United States, 1997. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Robbins and McClendon here provide the inspiration and tools to help African American readers overcome any societal/personal roadblocks and cultural conditioning that might keep them from enjoying the life of their dreams. Step by step, Robbins and McClendon show how to reprogram the mind in minutes to eliminate fears and phobias, fuel the body with renewed health and energy, dramatically improve relationships, and become a persuasive communicator. Employing the techniques of Neuro-Linguistic Programming, a science of personal achievement, readers learn the seven lies of success, how to duplicate the success of others, the five keys to wealth and happiness, how to determine one's values, and how to resolve internal conflicts that are the source of self-sabotage and other destructive behavior. Unlimited Power: A Black Choice also contains a revolutionary fitness program for the mind that enables readers to discover what they really want, and shows them how to achieve it. With Unlimited Power: A Black Choice, Anthony Robbins and Joseph McClendon III have written a unique and dynamic book that will provide African Americans with a program for super success in all aspects of their lives.
