Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Birds of Song and Story Some barbarous peoples possess a rude taste for the beautiful plumage of birds, decorating their bodies in feathers of softest and brightest tints. But we have record of few, if any, savage tribes the world over which delight in bird melody. True, the savage may seek his food by sound, or even song, but to feast the ear on music for music s sake ah, this is reserved for culture. An ear cultivated to melody is one of the soul s luxuries. Attuned to sweet and varied sound, it may become the guide to bird secrets never imparted to the eye. Sitting in the close shrubbery of a home garden, or crouch ing moveless in a forest, one may catch Whispers of bird language never imparted to human ears when the listener is moving about or talking with a comrade.
