

Maths at the Hospital

By Tracey Steffora

Capstone Global Library Ltd. Paperback. Book Condition: new. BRAND NEW, Maths at the Hospital, Tracey Steffora, The Maths at Work series examines how people around the world use common basic maths skills in their jobs. This book looks at maths at the hospital, and includes chapters on measuring, counting, shapes and patterns, and telling the time. The final page of each chapter ends with a relevant maths teaser question for the reader, so they can put their own maths skills into practice.

Reviews

Definitely among the best book I have got possibly study. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Olga Ledner MD

Complete guide for publication enthusiasts. I have read and i am sure that i will going to study again once again in the future. Your way of life period will be transform once you total looking over this publication.
