THE DIARY OF A JAPANESE CONVERT (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This Book by a native Japanese, written in English by himself, from his Japanese home, will, we believe, be acceptable to a wide circle of American readers. So far as we know, it is the only book of the kind ever published in any language; and as a vivid portraiture of a struggling soul seeking light and peace for him and his nation s salvation, it will be read with deep interest by all who desire the good of humanity. It touches upon many vital questions connected with Christian missions in heathen lands; and written in autobiographical form, it has all the freshness and reality of the author s own actual experiences. Except in a few instances when the meaning might not have been quite clear, the work is issued as written by the author. The occasional indications of a foreign idiom but enhances the reader s interest, and it was not thought best to alter these or critically correct every minor inaccurate form of expression as judged by our English usage.
