New Directions Publishing Corporation, United States, 2016. Hardback. Book Condition: New. 185 x 122 mm. Language: English . Brand New Book. Sei Shonagon's Pillow Book a key inspiration for Rivka Galchen's new book contains a list of Things That Make One Nervous. And wouldn't the blessed event top almost anyone's list? Little Labors is a slanted, enchanted literary miscellany. Varying in length from just a sentence or paragraph to a several-page story or essay, Galchen's puzzle pieces assemble into a shining, unpredictable, mordant picture of the ordinary-extraordinary nature of babies and literature. Anecdotal or analytic, each part opens up an odd and tender world of wonder. The 47 Ronin; the black magic of maternal love; babies morphing from pumas to chickens; the quasi-repellent concept of women writers; origami-ophilia in Oklahoma as a gateway drug to a lifelong obsession with Japan; discussions of favorite passages from the Heian masterpieces Genji and The Pillow Book; the frightening prevalence of orange as today's new chic color for baby gifts; Frankenstein as a sort of baby; babies' gold mines; babies as tiny Godzillas Little Labors atomized and exploratory, conceptually byzantine and freshly forthright delights.
