THE DEVIL S BACKBONE: THE STORY OF THE NATCHEZ TRACE

DOWNLOAD

Pelican Publishing Co, United States, 1985. Paperback. Book Condition: New. Pelican.. 175 x 109 mm. Language: English . Brand New Book. With a history as dark and bloody as any in our nation, the Natchez Trace has always been more than just a thoroughfare. Growing out of a need for a return route for flatboats that floated down the Mississippi, the Trace winds up from Natchez, Mississippi, through Alabama and ends in Nashville, Tennessee. From the start, the Natchez Trace was alive with rugged pioneers, politicians, ladies of fashion, settlers, soldiers, and robbers. Youll learn about the trail and the notable figures who traversed it, such as Aaron Burr, Andrew Jackson, George Washington, Daniel Boone, and Meriwether Lewis, whose death on the Trace is still a mystery. Leading all the way to Texas, the Natchez Trace was the road for troops going to the Battle of New Orleans, the path walked by the men who were to die at the Alamo, and an escape route for slaves. The Devils Backbone is chock full of the ever-changing parade of travelers along the Natchez Trace. The author tells the story of the people who built America, crossing a wilderness to create a nation.
