A story about the ripple effects in a family torn apart by their parent s greed. Adenizen is the perfect school in every sense except for one thing. On the outskirts of its campus, there is a student villa where the female residents are fair game for any man who can pay the price. Madam Ofilia runs the villa and will go to any length to take the most promising girls under her wings, as long as they live up to their side of the bargain. But when the ladies of A16 at Noble Hall become her next target, events take an unexpected turn. With each of these girls running her own agenda, it seems Madam Ofilia has bitten off more than she can chew. Things go awry and she is brought face to face with a buried past that might eventually cause her to meet her waterloo.
