Trafalgar Square. Paperback / softback. Book Condition: new. BRAND NEW, Over, Under, Through: Obstacle Training for Horses: 50 Effective, Step-By-Step Exercises for Every Rider, Vanessa Bee, Despite having over thousands of years selectively bred horses to be amenable to our ways of life, the fact remains that most of them still occasionally revert to being wild, sometimes at the most inconvenient moments. This varies from horse to horse due to individual temperament and learned behaviors, but common to all horses is a three-million-year-old risk assessment and thought pattern when it comes to anything that could be a predator, or could hide a predator, or could provide a launch point for a predator and the list goes on! Because of the innate prey-animal fear in horses, and because their instinctual flight-or-fight reaction is dangerous to the humans around or on them, horses must be trained to accept strange or new situations and objects. While many training books have explained ways to progressively desensitize horses in the arena or round pen, this new book from horsewoman Vanessa Bee Founder of the International Horse Agility Club and 3-Minute Horsemanship takes the concept of teaching horses to accept what they think is terrifying out into the world around us. When examining any common obstacle that might scare a horse, you can see that it is usually made up of one, two, or three elements: It is either over something, like a bridge, or involves going under something, such as low branches, or you must go through, as in a gateway. Sometimes there can be a combination of all three elements! To deal with such challenges, Bee has provided Six Blueprint Exercises to lay the foundation of skills you need as a trainer and a horse to go over, under, and through. Then, she takes us through 50...
