Reviews

This publication is fantastic. It is one of the most amazing publication i have got study. I am just pleased to explain how this is actually the best pdf i have got read through in my individual lifestyle and could be he finest publication for possibly.
(Mr. Kristoffer Hills)

THE DOMINO MAN: A MILITARY CONSPIRACY (PAPERBACK)

Fingerpress, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A double no-brainer this book. Read it and see why! - Fredrik Nath, neurosurgeon and author of the Galdir series. ***** One man holds the key to exposing deceit and treachery at the highest level of the nation. He must work alone and trust nobody. But there s a problem. He s just been executed. Stanley Salmons weaves a dark near-future story that is as intriguing as it is original. A Special Forces soldier wakes up temporarily paralysed in a prison hospital, with no memory of how he got there. A Professor at M.I.T. renowned for his expertise in quantum computing is dying from a peripheral nerve disease. The lives of these two will be intimately linked in a near-future story involving military action in Africa and set against the backdrop of a U.S. Presidential election.
