TEMPT THE STARS (PAPERBACK)

Berkley Books, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Being a goddess is a lot less fun than you might think. Especially when you re only a half goddess, and you only found out about it recently, and you still don t know what you re doing half the time. And when you ve just used your not-so-reliable powers to burglarize the booby-trapped office of a vampire mob boss. Yeah, that part sucks. But that s just the tip of the iceberg for Cassandra Palmer, aka the Pythia, the freshly minted chief seer of the supernatural world. After all, Cassie still has to save a friend from a fate worse than death, deal with an increasingly possessive master vampire, and prevent a party of her own acolytes from unleashing a storm of fury upon the world. Totally just your average day at the office, right?.
