

## Blue Monday: New Order at Britannia Row

By Michael Butterworth

Plexus Publishing. Paperback. Condition: New. 160 pages. The distinctive synth beat of Blue Monday shudders through the studio. From amidst a past of grime and smoke, the future was arriving . . . The fastest selling 12 single ever, Blue Monday is an infectious dance anthem that will never date. Released by New Order in 1983, it helped cement the bands identity like no other track. In the wake of Ian Curtis loss the maudlin, magnetic personality who once fronted them in the guise of Joy Division it provided exactly the creative spark needed to ignite the bands fledgling career. Three decades on, author Michael Butterworth a close friend invited by New Order to document a string of notoriously intense sessions at Londons Britannia Row Studios breaks the silence to reveal exactly what went into the recording of this classic track, as well as the Power, Corruption and Lies album. Committed to creating a minute-by-minute record of the bands arduous creative process without the aid of a tape recorder Butterworth devoted three weeks to living and working alongside his friends. From beneath a perpetual fug of dope smoke, speed and alcohol, within the confines of the bands minuscule rented flat,...
