Wash the meat in cold water. Put into a soup - pot allowing one quart of cold water for each pound of meat and one-half teaspoon of salt for each quart of water. Place over a moderate fire till it comes to a boil then skim carefully, after which cover it close and set where it will boil gently for two hours. Strain through a fine sieve and set away until the next day when the soup should be a solid jelly from which all the fat can be removed. For use melt a portion of this jelly, add more salt and pepper and let boil up once and serve in hot tureen. If rice or macaroni is used have them cooked and add them while hot to the soup.
