Sheet map. Book Condition: New. Not Signed; Flexi Map Dubrovnik is much more than just a laminated map. The tourist information section includes detailed descriptions and some stunning photographs of a carefully selected number of recommended sights, these sights are linked to the mapping by easy to find numbered markers. There is also an abundance of helpful information on getting around, tipping, opening times, public holidays, emergency telephone numbers and much more. The comprehensive index has been divided into different categories, such as Points of Interest, Public Buildings and Hotels, to make locating places as easy as possible. The laminated finish is tough, weatherproof and can be written on using a non-permanent marker. In addition to the main city map, shown at a scale of 1:12 500 (1cm = 0.125km), there is an extremely detailed plan of the Old City of Dubrovnik and a public transport map. Two regional maps showing the North and South of Dubrovnik are also included at a scale of 1:300 000 (1cm = 3km), these are ideal for exploring slightly further afield. book.
