Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Betrayal is easy, sex is a weapon, and information is power. Maggie Madison sits in the lofty towers of her city during the day, but at night she lurks the seedy underbelly, looking to snare the man who stole her innocence. Her simple quest becomes complicated when she meets a man who is as light as she is dark, as straightforward as she is deceptive. When a villain rises and sets her world alight, she must weigh her need for revenge against the good of the city she vowed to protect. For mature readers, this book contains gratuitous sex and violence. Fans of the dark feel of Jessica Jones and the gritty elements of Gotham will enjoy the story of a new superhero with a dark past, The Matriarch. The debut novel from Sloane Howell is book one of The Matriarch Trilogy. The next two books are set to release in 2016. There are some plot arcs left unresolved to set up book two so this book does end in a cliffhanger but not without some resolution. For those with triggers, there are dark scenes where certain situations are implied but not described in detail. Thank you for reading.
