IN THE MIND OF A FOURTEEN YEAR OLD VICTIM: A TRUE STORY ABOUT A YOUNG AUSTRALIAN RAPE VICTIM (PAPERBACK)**DOWNLOAD**

Elizabeth Berry, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The pages are written by the victim, me. You read my fears, my abuse and my darkest times. I m no book writer but the words are from a victim of rape. This is a book short book that shows you the inside mind of an Australian 14-year-old girl who was raped how it changed the life she once had forever. I decided to keep it short, on the ball and raw as that s how I look back at it. Short- as it s a true story and no bullshit added to fill pages. On the ball- it shows you what I went through. Raw- you read and feel the confronting path I felt and went through at 14. I didn t miss bites but I didn t want to turn it into a horror book either. Some of the pages you read are extremely raw and confronting but I didn t want to soften to tail. it is on a life experience that I feel isn t talked about enough. So many girls, boys men and women face something like this Dailey, they may have no one or like me had no way to talk about it, thus subject is a touchy one but it needs to be talked about. I watched a TV series and basically relived my teens in it and it made me think, how many girls and guys are out there without a voice? How many have taken their lives due to thinking there s no other way out? How many have in the same situation I was in? How many suffer in silence? But then it dawned upon me, I was one of those people. So,...
