

## A System of Pragmatic Idealism, Volume III: Metaphilosophical Inquiries (Paperback)

Filesize: 5.46 MB

### **Reviews**

*Basically no words to clarify. Of course, it is perform, still an amazing and interesting literature. Its been printed in an exceptionally basic way which is only soon after i finished reading through this ebook where actually altered me, change the way i really believe.*  
(Newton Runolfsson)

**A SYSTEM OF PRAGMATIC IDEALISM, VOLUME III: METAPHILOSOPHICAL INQUIRIES (PAPERBACK)**

Princeton University Press, United States, 2014. Paperback. Condition: New. Reprint. Language: English . Brand New Book. This is the third and final volume of A System of Pragmatic Idealism, a series that will synthesize the life s work of the philosopher Nicholas Rescher. Rescher s numerous books and articles, which address almost every major philosophical topic, reflect a unified approach: the combination of pragmatism and idealism characteristic of his thinking throughout his career. The three related but independently readable books of the series present Rescher s system as a whole. In combining leading ideas of European continental idealism and American pragmatism in a new way, Rescher has created an integrated philosophical position in which the central concepts of these two traditions become a coherent totality. The initial volume in the series was dedicated to epistemology, the philosophy of science, and the philosophy of nature, while the second dealt with issues of value theory, ethics, and practical philosophy. In Volume III Rescher examines the nature of philosophical inquiry itself, seeking to affirm the classical conception of philosophy as a significant problem-solving enterprise that draws on the whole range of human experience to attempt to resolve the big questions. Originally published in 1994. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.
