Garden Journal and Planner Handbook 2017 (Paperback)

By Louis Gary Lamit

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A garden journal is a diary documenting the progression of your vegetable garden- from planning and planting, to sowing and harvesting. Think of a garden journal and planner as a notebook detailing your day-to-day, week-to-week, and year-to-year gardening activities. This includes the evolution of your garden throughout the growing season or seasons if you have the climate to plant more than one crop cycle. Keeping a comprehensive journal is an important measure of growing a successful garden and avoiding mistakes made one season and eliminating potential problems for the next. The layout and planning sheets provided here can be used to setup your whole garden plot and also for individual garden beds or sections. Plan your garden on the grid page as a first step. Draw a diagram showing layout and spacing of vegetables. If you live in a planting zone that enables year-round gardening use this book as a three-season planner and journal. Otherwise you can record three separate years of gardening. For your journal take into account everything about your vegetable garden including: Weather: Document daily or weekly conditions...
