Imprint, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book. During a zombie apocalypse, the important thing is to not panic. Actually, that s not true. Definitely panic. These things are going to try to eat your face off! Sam and Arty are looking forward to summer vacation so much that they barely notice when their bumbling science teacher causes an explosion of purple goo that drenches their classmate, Simon. They re sure Simon will be fine--he looks a little gray, but things like this happen all the time in the town of Sitting Duck. But Simon is not fine--and totally loses his head when he becomes a zombie! Soon the town is crawling with rabid zombies looking for braaaaaains! The adults are busy panicking and screaming, so it s up to Sam (the leader) Arty (the brains), and their friend Emmie (the rebel) to take charge. If they can t find a cure, it will be a disaster! Disaster Diaries: Zombies! is perfect for young readers, reluctant or otherwise, with a wacky sense of humor. The first in this hilarious middle grade series from author R. McGeddon will prepare you for your own zombie infestation, with handy tips like how to spot zombies. (Hint: their faces are falling off). An Imprint Book.
