

Crazy U: One Dad s Crash Course in Getting His Kid Into College (Paperback)

By Andrew Ferguson

SIMON SCHUSTER, United States, 2012. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Now in paperback: Both a hilarious narrative and an incisive guide to the college admissions process. Ferguson s storytelling is irresistible (The Washington Post). Once a straightforward process, applying to college has evolved into a multi-year ordeal and spawned a multi-billion dollar cottage industry of freelance counselors, tutors, essay coaches, interview advisers, and political activists. In Crazy U, Ferguson spends time with the most sought-after private counselor, provides a pocket history of higher education in America, looks at the growth of the college marketing industry, and asks: Why the hell does college cost so much, and how can my kid get in? Writing with humor and humility, Ferguson chronicles his perilous journey through this seemingly impenetrable, hall-of-mirrors process where, it seems, even the slightest misstep could derail his son s future. Crazy U doesn t divulge the secrets of getting accepted to a dream school, but it will help readers maintain a measure of sanity as they enter the trenches of college admissions.
