*This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## **FINEST YEARS**

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Preeminent military historian Max Hastings presents Winston Churchill as he has never been seen before. Winston Churchill was the greatest war leader Britain ever had. In 1940, the nation rallied behind him in an extraordinary fashion. But thereafter, argues Max Hastings, there was a deep divide between what Churchill wanted from the British people and their army, and what they were capable of delivering. Himself a hero, he expected others to show themselves heroes also, and was often disappointed. It is little understood how low his popularity fell in 1942, amid an unbroken succession of battlefield defeats. Some of his closest colleagues joined a clamour for him to abandon his role directing the war machine. Hastings paints a wonderfully vivid image of the Prime Minister in triumph and tragedy. He describes the second Dunkirk , in 1940, when Churchill s impulsiveness threatened to lose Britain almost as many troops in north-west France as had been saved from the beaches; his wooing of the Americans, and struggles with the Russians. British wartime unity was increasingly tarnished by workers unrest, with many strikes in mines and key industries. By looking at Churchill from the outside in, through the eyes of British soldiers, civilians and newspapers--and also those of Russians and Americans--Hastings provides new perspectives on the greatest Englishman. He condemns as folly Churchill s attempt to promote mass uprisings in occupied Europe, and details Unthinkable --his amazing 1945 plan for an Allied offensive against the Russians to liberate Poland. Here is an intimate and affectionate portrait of Churchill as Britain s saviour, but also an unsparing examination of the wartime nation which he led and the performance of its armed forces. Max Hastings studied at Charterhouse and Oxford...
