DRAGONFLY BOOKS, United States, 1994. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Illus. in full color. Only Burningham could make an ecological fable somuch fun. A boy goes to bed and dreams that he and his stuffed dog, now arailroad engineer, are speeding through the countryside playing games andpicking up endangered animals. Spacious drawings contrasted with texturedlandscape paintings create a striking effect as the artist juggles antic humorwith a serious message--and never misses a beat. -- Bulletin, Center forChildren s Books.
