THE RESURRECTION: HOW EVERYTHING CHANGED (PAPERBACK)

Apple Valley Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Resurrection is the single most dramatic event of all time. Theologians, historians and even nonbelievers have given their version of what happened--in narratives that are often very different. In taking a close look at what actually happened, this account notes the differences, but does not attempt to explain them away. Instead, it presents a realistic picture of Jesus and his followers after the Resurrection. Not as well known, is that soon after rising, Christ began teaching a new message, a message that his followers would heed as the Holy Spirit entered their lives. The wonderful gifts of the Spirit they received are not only for them. They are ours too, if we dare to ask.
