Brand New Book ***** Print on Demand *****.Description - Lies and to the wall I was a kid in and out of Cuba during late 1950s, but what does a kid know? I remember the passionate revolutionary fervor of exiles in southeast Florida where my family lived, and the spirit of revolt on the island, but what was actually going on, nobody knew. It was a period of unbelievable intrigue, misinformation, and misunderstanding. There were plots within plots. It was violent, that s civil war. It began in March of 1952, when Fulgencio Batista deposed the elected President of Cuba, Carlos Prio, in a military takeover. The United States recognized his government in under two weeks. Batista was good for business. He was also increasingly corrupt and not about to loosen his grip on lucrative power. Within two years his opponents became frustrated and revolutionary movements began to form, even as the economy grew ever more prosperous. Fidel Castro s movement was only one of over forty, and others did most of the fighting, but he had the best PR and the support of the CIA who were playing both sides, in a game of ruthless betrayal. In a six year revolution, the lives both Cubans and Americans were thrown into chaos. Afterward, when it was time to sort out who would hold power, it became knife in the back time. Through it all Castro was a ruthless chess master, particularly when it came to seizing power. Castro s, Movement 26th of July, was only one of over 40, but he destroyed his allies one by one, and took it all. Fidel hoodwinked the CIA and his fellow revolutionary s, and stole the revolution. The eighth most...
