## The 50-Plus Market: Why the Future Is Age Neutral When It Comes to Marketing Branding Strategies

By Dick Stroud

Kogan Page. Paperback. Condition: New. 314 pages. Dimensions: 8.9in. x 5.8in. x 1.4in. Baby boomers are the wealthiest, fastest-growing consumer group in the world, yet the market remains largely untapped by marketers. In fact, only five percent of worldwide ad budgets are geared toward older customers while 80 percent goes to reaching 18- to 34-year-olds. Acknowledging that the 50-plus consumer market is foreign territory to many marketers, author Dick Stroud provides a how-to guide for key elements of a marketing strategy targeting boomers. His new approach to how companies can interact with older customers advocates age-neutral marketing strategies, ensuring the growing numbers of affluent consumers over the age of 50 are not overlooked. Using research from OMD, the world's second-largest media communications firm in the world, The 50-Plus Market shows why the obsession with youth-centric marketing must end. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

### Reviews

*The ebook is straightforward in go through preferable to recognize. It typically does not charge too much. Its been designed in an exceptionally straightforward way and it is just following i finished reading this book where basically altered me, affect the way i really believe.*

-- Dr. Reta Murphy

*It becomes an amazing pdf which i actually have at any time read through. This can be for all those who stante there had not been a worthy of reading through. You wont sense monotony at anytime of your own time (that's what catalogues are for relating to should you check with me).*

-- Claud Kris
