Bloomsbury Publishing PLC, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Nobody knew it at that moment, but only three things stood in the way of the complete destruction of the Earth: one elderly parrot; one eight-year-old spelling mistake; and an intrepid young schoolgirl-turned-reporter in search of a story . Greta Zargo needs a big scoop if she s going to win the Prilchard-Spritzer Medal, the quite famous award for great reporting. But big scoops are in short supply in the quiet little town of Upper Lowerbridge, and all Greta s got to investigate is a couple of missing cakes. But then, with a whoosh of unknown energy, a mysterious silver robot descends from the sky . A laugh-out-loud funny new series from the author of the critically acclaimed The Imaginary, perfect for fans of Mr Gum, Chris Riddell, and Philip Reeve and Sarah McIntyre s Oliver and the Seawigs.
