It was in the midst of a very difficult time in my life that I discovered the power of God s Word. Mark 4 says the seed is the Word. As an avid gardner, I knew how powerful a little seed is. When I took an honest evaluation of my life, I realized that my life manifested a famine! Just as I would take inventory of my pantry each spring to determine what seed I needed to plant, so now, having realized the Word of God is seed, I took inventory, determining what seed of the Word I needed to plant in my life. This Show Forth is the first precious seed I gathered to plant and meditate on in my life. My prayer is that you will use this to encourage and build your faith, following my example and seeing the mountains of your life moved.
