NOVEL APPLICATION OF THE SOPHOROLIPID BIOSURFACTANT

Condition: New. Publisher/Verlag: Noor Publishing | in Enhancing the Solubility and Delivery of the Anticancer Drug Camptothecin | Drug delivery is one of the most challenging fields today due to the development of drugs which have low aqueous solubility, and bioavailability. Instead of wasting millions of dollars and years on screening for new drugs, why not invest in increasing the efficacy of existing ones? Biosurfactants are amphiphilic molecules that display exotic surface active properties. They are promising biodegradable and biocompatible...
