And, it must contain all the history and secrets of such affairs. The bed is considered undefiled but sexual immorality brings on pain. It will drain you, and as a consequence, your health will be affected . Likewise, people in a married relation should have the greatest sex. Their sex life is not carnal but spiritual . Therefore, the equation to ecstasy is faithfulness in fidelity and intimacy. This book is packed with twenty sermons on topics that are appropriate for today s world. There are ten sermons on the Ten Commandments which are scholarly interpretations on Biblical concepts. It also offers a self help page which asks for repentance and a certificate to declare the date when the vow to walk with God is made. This book is for everyone who desires a spiritual journey in understanding God s words. It does not matter whether you are a Christian, Jew, or Muslim. What matters is a heart seeking God.
