**PROVIDENCE OF A SPARROW: LESSONS FROM A LIFE GONE TO THE BIRDS / CHRIS CHESTER.

University of Utah Press, U.S., United States, 2002. Hardback. Book Condition: New. 236 x 163 mm. Language: English . Brand New Book. In the years since Chris Chester and his wife Rebecca rescued a featherless baby bird a creature with all the initial appeal of a testicle with a beak they've had plenty of time to consider and reconsider their eccentric lifestyle. The upstairs floor of their home in Portland has become an indoor aviary. There is B's room, which he shares with a varying number of finches; the canary room; and the room housing the three subsequent foundling sparrows they've adopted: Baby, Pee Wee, and Seven. There are screen doors mounted in the doorways, congruent with the Appalachian-themed decor. They've learned sparrow games like War Bird, Love Bird, and Hit the Cap. Since the birds' bedtime rituals alone take an hour or more each night, the couple's social life has suffered a decline. But along the way the Chesters have also learned a great deal about the natural history of birds, and even more about that maligned avian species, the House Sparrow. And with this knowledge has come gratitude. For it is through B and the rest of this unorthodox family that Chester has discovered a renewed capacity for joy and wonder and an expanded realization of the consciousness and intelligence in living things. A book filled with acerbic wit, frequent references to literature both high and low, and genuine reverence for the life around him, Providence of a Sparrow is Chris Chester's beautiful meditation on life with B.
