## LA GUERRE CIVILE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: French . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.La guerre civile de Cesar, appelee aussi guerre civile romaine de 49 av. J.-C. ou guerre civile entre Cesar et Pompee, est un des derniers conflits interieurs de la Republique romaine, et fait partie de la liste des nombreuses guerres civiles romaines. Elle a consiste en une serie de heurts politiques et militaires entre Jules Cesar, ses allies politiques et ses legions d'une part, et la faction conservatrice du Senat romain, appelee aussi optimates, epaulee par les legions de Pompee d'autre part. Nombre d'historiens s'accordent a dire que la guerre civile fut la consequence logique d'un long processus de crise des institutions politiques de la Republique, qui commença par le desastreux echec des reformes tentees par Tiberius Sempronius Gracchus, et se poursuivit par la reforme de l'armee de Caius Marius, qui firent des legions des unites entierement devouees a leur general. Le processus s'accéléra avec la dictature de Lucius Cornelius Sylla et enfin le Premier triumvirat. Que cette analyse soit plus ou moins correcte, ces evenements n'en ebranlerent pas moins les fondements de la Republique, et il est clair que Cesar tourna habilement en sa faveur l'opportunité offerte par la decadence des institutions.
