

Pronti. via!: Student Textbook: Beginning Italian (Hardback)

By Daniela Melis

Yale University Press, United States, 2006. Hardback. Book Condition: New. 251 x 203 mm. Language: Italian,English . Brand New Book. Pronti.Via! is a complete beginning Italian language course that focuses on communication skills without excluding grammar. This timely programme is based on solid language acquisition theory and reflects an eclectic approach that includes using language for true communication, developing linguistic ability in a natural way, and promoting the growth of self-discipline towards the learning of grammar. Five years in the making and class-tested at the University of Georgia by the author and her colleagues, this first edition of Pronti.Via! received extensive peer review, detailed editorial development, and a user-friendly design that combine to make Pronti.Via! a programme that merits serious consideration. This book s features include: chapters are arranged around a thematic focus that starts from the personal to arrive at the general; classroom activities conform to the theme of each chapter and stimulate vocabulary practice in meaningful contexts; interactive instruction responds to learners different styles and goals; truly communicative activities encourage students to manipulate meaning from the very first days; class time is filled with aural and written comprehensible input, allowing teachers and learners to enjoy the natural and...

Reviews

These kinds of publication is the greatest pdf available. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Lorena Streich

It becomes an awesome pdf that I have actually read through. It really is full of knowledge and wisdom You may like how the writer compose this book.
