Reviews

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.

RESCUED (HARDBACK)

Scholastic Press, 2016. Hardback. Condition: New. Language: English . Brand New Book. Raja has been raised in captivity. Not behind the bars of a zoo, but within the confines of an American home. He was stolen when he was young to be someone's pet. Now he's grown up . . . and is about to be sent away again, to a place from which there will be no return. John grew up with Raja. The orangutan was his friend, his brother -- never his pet. But when John's parents split up and he moved across the country, he left Raja behind. Now Raja is suffering. There's one last chance to save Raja -- a chance that will force John to confront his fractured family and the captivity he's imposed on himself all of these years. Eliot Schrefer's last two novels, *Endangered* and *Threatened*, were both finalists for the National Book Award. With *Rescued*, he brings his remarkable storytelling to the American landscape, giving us a boy who must redefine his own humanity and an orangutan who will need his help in order to return home.
