By Carnegie Foundation for the Ad Teaching

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Carnegie Foundation for the Advancement of Teaching: Founded 1905 The six institutions described in the first section of this Manual were founded in years so recent that their beginnings are today fresh in the memory of those fortunate enough to have been associated in their inception and development. To them the personality of the founder, his belief in human progress, his optimism for the future, his sincere desire to do the best with the great fortune genius had brought together, were part and parcel of these early associations. Before the memories of these days grow dim, while the founder is with us, still full of faith for the future, notwithstanding the confusion and the pain that have fallen upon the world, it seems fitting to set down in the pages of this handbook an account of these beginnings, to tell briefly the story of how these enterprises were launched, what were the visions that set them afloat on the stream of time, and to render some account of the short voyage they have made...
