Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Defence of Professor Briggs: Before the Presbytery of New York, December 13, 14, 15, 19, and 22, 1892 Mr. Mccook gave you an argument of more than two hours, which was forceful, plausible, and specious, but which for the most part soared in the regions of abstract thought, far above and beyond what the prosecution, to use the language of an eminent member of the court, were put up to do. I listened to the argument with the closest attention. Its subtle analyses of hypothetical premises, its simple-minded substitution of inferences from the language of the defendant for that language itself, its delicate balancing upon imaginary lines stretched from speculative piers, the cool assumption of its logic and the condensed heat of its rhetoric, all remind us of the intellectual processes of a scholastic theologian rather than of a lawyer or a man of affairs. This argument will receive the attention it deserves. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
