Well, most of the family was tight-knit--her father walked out on them when she was 13 and she and her two brothers and sister bonded together even closer with their mother as a result. She's been doing her best to live her new life apart from them, but when their estranged father has a stroke and summons them, Grace suddenly realizes she's done the same thing he had done.abandoned those who need her most. And need her they do, for inside the hospital walls, a strange war is unfolding between the pseudo-kindly woman who is their father's second wife and the rest of the original Hawkes clan. Upon reconnecting with her brother and sisters, Grace will find a part of herself she thought was lost forever. As they unravel the manipulative deception of the second Mrs. Hawkes, Grace will finally be able to stand up for her family--and to remember what a family is, even after all these years.
