

Hold on to Life: Overcome Your Cancer: Laugh, Sing, Dance. (Paperback)

By Zulay L Rivero

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book narrates the thoughts and experiences of Zulay, a human being who has overcome cancer twice in her lifetime. Nevertheless, the cancer did not affect her daily life or her characteristic virtues, for she continued to emanate the same joy as always with her kind spirit and contagious laughter. With the simple language in this book you will learn about some of the tools my sister used to overcome this terrible illness. I see her words as a gift for those who think that an illness can overtake their body and spirit when there is a whole world of possibilities out there, many of which depend entirely up to you. Her rightful attitude was based first and foremost on an unbreakable faith, coupled with an immense will to live, a touch of perseverance and acknowledging the importance of love from people surrounding you.

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It has been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

Extremely helpful for all classes of individuals. Better than never, though I am quite late in starting to read this one. I realized this publication from my mom and dad suggested this ebook to discover.
