

## Organization of United States Army Special Forces in the Objective Force

By John S. Prairie

Biblioscholar Aug 2012, 2012. Taschenbuch. Book Condition: Neu. 246x189x8 mm. This item is printed on demand - Print on Demand Neuware - The current task organization of Army Special Forces was developed fifty years ago to execute missions in a very specific operational environment against a threat that was simple to template. In the twenty-first century this organization is no longer suitable. The Army recognizes this and has initiated a program to transform all of its forces into an Objective Force with specific capabilities to successfully operate in the future operational environment in order to accomplish full spectrum dominance. This thesis examines research material revolving around the Army's Transformation Plan for the Objective Force and breaks the analysis into a four step process. The first step is to review the contemporary operational environment and the characteristics of the future threat. The second step is to identify those operations and mission areas of the Objective Force. The third step is to define unconventional operations and the required capabilities that Special Forces will need to embody in order to be successful at every point across the spectrum of operations. The paper concludes by proposing a realistic Special Forces task organization for Units...

### Reviews

*This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Natalie Abbott**

*This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be playful, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.*
