Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Raising A Successful Child (The Manual) gets to the heart of what every parent needs to know to have a warm, loving, emotionally healthy relationship with their baby and to raise a happy, healthy, secure child. Based on past successful parenting practices and even more excitingly on fairly recent research findings that point to new directions in parenting, this book provides in clear and simple language the tools for raising successful children.
