It is the skillset and competence of completing goals on a consistent basis that equates to personal-development, peak-performance and goal-achievement. Self-Confidence is a tool of success? The first phase in developing self-confidence is having a vision, a mission and a purpose. Your first primary function is to have faith in God, then believe in yourself. You must also possess the ability to think forward and follow through despite roadblocks along the way. As former basketball coach Phil Jackson put it, I think the most important thing about coaching is that you have to have a sense of confidence about what you re doing. You have to be a salesman, and you have to get your players, particularly, your leaders, to believe in what you re trying to accomplish on the basketball floor. Vision, Mission, and Purpose is the first Phase of Confidence There can be no supplement...
