

## The Wilderness First Aid Handbook (Paperback)

---

By Grant S. Lipman

Skyhorse Publishing, United States, 2013. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. The Wilderness First Aid Handbook is a handy, quick-reference guide with easily accessible with basic wilderness first aid knowledge, but it does not require advanced degrees or experience with medicine and prehospital care. Recognizing that certain knowledge and procedures are outside the scope of a layperson s training, Dr. Grant Lipman limits the use of technical terms and advanced techniques that may be unfamiliar to some readers or beyond their comfort zone. This system-based, easy-to-follow guide assists the first aid provider when encountering most wilderness emergencies, from cold and heat concerns and blister treatments to high altitude illness and lightning injury prevention-and much more. Typically the most challenging decision in the wilderness environment is when to evacuate a sick or potentially sick person, and as such, each section has detailed decision-making steps to inform you of when to be concerned and when to get out. This guidance is based upon the recent evidence-based consensus statement published by the Wilderness Medical Society on the scope of practice...
