[Cited in Martin Parr and Gerry Badger, *The Photobook: A History, Volume III*. (London and New York: Phaidon, 2014)]. New in publisher's packaging. *A Road Trip Journal* is a limited edition facsimile of Stephen Shore's personal journal which traces his now legendary 1973 road trip across the U.S. This unique volume is loaded with the ephemera of Shore's month-long trip: motel, restaurant and gasoline receipts, postcards, ticket stubs and notes on the photographs, and exquisite reproductions of every photograph made during the trip. The journal offers collateral glimpses into the artist's experience, taking on a heightened significance that comes with the knowledge that it was this trip that yielded the photographs for Shore's seminal book, *Uncommon Places*, which changed the way photography was perceived when it was released in 1982. Shore was the anti-Frank in many ways. Yet, he followed in Robert Frank's footsteps, traveling the country, in the long tradition of wandering, seeking photographers. As an outsider to American culture, Frank saw a chaotic, polarized society prone to consumerism, regret, violence, decay, human relationships in flux. He shot from the car, from the hip, with a 35mm, on the run. By contrast, Shore traveled with an 8x10" view camera keeping meticulous notes about his experience. He constructed order, stability, and represented an America seemingly without emotion, instead creating...
