John Wiley Sons Inc, United States, 2011. Hardback. Condition: New. Expanded Edition. Language: English . Brand New Book. The flood of information, unprecedented transparency, increasing interconnectedness-and our global interdependence-are dramatically reshaping today s world, the world of business, and our lives. We are in the Era of Behavior and the rules of the game have fundamentally changed. It is no longer what you do that matters most and sets you apart from others, but how you do what you do. Whats are commodities, easily duplicated or reverse-engineered. Sustainable advantage and enduring success for organizations and the people who work for them now lie in the realm of how, the new frontier of conduct. For almost two decades, Dov Seidman s pioneering organization, LRN, has helped some of the world s most respected companies build do it right, winning cultures and inspire principled performance throughout their organizations. Seidman s distinct vision of the world, business, and human endeavor has helped enable more than 15 million people doing business in more than 120 countries to outbehave the competition. In HOW: Why HOW We Do Anything Means Everything, Dov Seidman shares his unique approach with you. Now updated and expanded, HOW includes a new Foreword from President Bill Clinton and a new Preface from Dov Seidman on why how we behave, lead, govern, operate, consume, engender trust in our relationships, and relate to others matters more than ever and in ways it never has before. Through entertaining anecdotes, surprising case studies, cutting-edge research in a wide range of fields, and revealing interviews with a diverse group of leaders, business executives, experts, and everyday people on the front lines, this book explores how we think, how we behave, how we lead, and how we govern our institutions and ourselves to uncover the values-inspired hows...
