Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Ever wish you could tell someone they were ugly, but a sense of decency stopped you? How about mess with someone you thought was a complete idiot and get them to do something that proves just how dumb they are? How many times have you wanted to put an authority figure in their place, but didn't for fear of getting arrested? Well, this guy has done it all and more! This book contains several short stories about the funny things my husband says and does. He is quite the comical person. He makes everyone around him laugh. He opens his mouth and some of the most outlandish things come out. I believe he has no control over his mouth. If you are in need of a laugh, this one is for you!.
