This is a collection of poems by an active plumbing contractor who has been writing poetry long before he held a wrench. It was a very zealous sixth grade teacher who first noticed that Joseph had a talent with words, she encouraged him to continue to write. . . He took her advice and this book is his debut, of course he continues to wield a wrench; although his pen and parchment are always by his side. You will find a theme to these poems, the book has been called A journey by one reviewer. It does take you in and shares very deep and poignant thoughts, along with some humor and a deep love of children. Please enjoy. This item ships from multiple locations.
