Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Paintings of the Louvre, Italian and Spanish The visitor who passes from the lower to the upper galleries of the Louvre might, with reason, be tempted to ask himself where the art of the intervening thousand years was to be found, and, on realizing that his search would be in vain, he might speculate as to the cause or causes which had conspired to make this so. How and why, he might ask himself, did that perfect art of Greece and its humble Roman imitation find no followers? How and why did they so vanish that art had to be born again and reappear in the form of almost childish attempts at expression a thousand years later?
