Reviews

A fresh eBook with an all new standpoint. It is actually written in simple words and phrases instead of difficult to understand. You won't sense monotony at any moment of your own time (that's what catalogs are for relating to if you question me).

Imagine sending your spouse to war with a heavy heart, then receiving a life-shattering phone call telling you he s been badly injured. Your beloved returns to your arms, but changed, broken, angry, conflicted, and in need of around-the-clock care. What do you do? Meet the women who drew upon their inner resilience and prevailed. Their vivid personal accounts provide inspiration to those who face daunting challenges, and offer a path forward. Each one of these brave, strong military spouses shares her personal tale of reuniting, recovering, and rebuilding with her catastrophically wounded warrior. Wounded Warrior, Wounded Wife offers an intimate look into the chaotic and demanding lives of military spouses as they adjust to living with injured combat veterans. These women are thrust into caretaker roles for service members who return home with amputated limbs, brain injuries, burns, and disabilities, with virtually no support or training. Posttraumatic stress tears their families apart, and they must wrestle with huge, imposing questions: Does he still love me? Must I sacrifice my career forever? How will this affect my kids, my sex life, my happiness? Wounded Warrior, Wounded Wife reveals the innermost thoughts of women who faced these challenges and prevailed--to not just survive, but thrive.
