Zebra, 1998. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: The story of King Arthur, Merlin, and Camelot is as boundless as it is timeless in its hold on our imaginations. And, like Mary Stewart's classic Merlin trilogy, Quinn Taylor Evans's Merlin's Legacy series has been hailed by readers and critics alike for its dazzling and original evocation of the Arthurian legend. Now, this accomplished and acclaimed writer takes us back to 514 A.D. for a prequel to the previous tales in the series. On the Island of the Mists -- enchanted, changeless Avalon -- Meg grew to power among the immortals, a rare and beautiful creature with a fierce inner strength. She was also Merlin's sister, gifted with a power -- and a will -- to match those of the great sorcerer. She longed to know the mortal world, where the sorrow of death was balanced by the joys of life and love. And so, one day between darkness and dawn, she took an human form and stepped from the safe haven of Avalon into the strife and war that divided ancient Britain. where a fierce warrior cast a passionate spell on her soul. Since childhood, Connor of Lyonesse fought to preserve Britain for Arthur, the boy-king who had fled his kingdom fifteen years before. The loyal knight had no use for myths and fairy tales. Little did he know that the sweet maid nearly slain by his own hand one dewy morning was a living legend who would work a shattering change on his embittered life. Nor could he have ever imagined that her gentle love commanded strong magic that would grant his heart's desire.
